

Dear Abbey Friends!

Next year we will celebrate the founding of the monastery in Vreta 900 years ago. There will be lectures and concerts during the whole year and the very special festival day will take place on Sunday 30th May.

But we will not confine ourselves to this festival day, we will also take the opportunity to bring together as many as possible of our abbey friends from Sweden and other countries, for a special program starting on Friday 28th May about 4 p.m. and going on all Saturday 29th. After that of course everybody is expected and very welcome to participate in the celebration on Sunday 30th together with the Vreta kloster parish and the invited notabilities.

Hoping to see you all in Vreta on this occasion we ask you please to note a reservation for the period 28th – 30th May 2010.

This autumn we will come back to you with a program in detail, recommendations on accomodation and other useful information.

Please spread this to other abbey friends!
